

2023 Street Rehabilitation Project

Stinson Boulevard/Pleasant View Drive

May 26, 2023

Current Events:

On Monday, May 22nd, the City of Fridley awarded the 2023 Street Rehabilitation Project to T.A. Schifsky & Sons, Inc. of North Saint Paul, MN. The project includes the street rehabilitation of Stinson Boulevard/Pleasant View Drive and construction of a shared-use bituminous trail along the east side of the corridor.

In the coming weeks, the Contractor will provide a preliminary construction schedule. Additional information on construction schedule will be distributed with the next project update. Once construction begins, residents can anticipate a weekly update, distributed to the project email list and posted to the City's project webpage.

Stay Connected:

There will be no additional physical updates delivered for this project. All future project updates and notifications will be distributed via the project email list and posts to the City of Fridley's 2023 Street Rehabilitation Project webpage at the following location: <https://www.ci.fridley.mn.us/1634/2023-01-Street-Rehabilitation-Project>

Residents are encouraged to send their name and address to web-StreetProjects@fridleymn.gov and request to be added to the project email list to receive the latest project updates.

Construction

The Contractor's hours will be from 7:00 a.m. to 7:00 p.m., Monday-Friday. There is potential for occasional work outside of these hours upon City approval. Please keep in mind that this type of construction may generate noise, dust, mud, and be disruptive to the area. Please be patient with the Contractor and contact us if you have any concerns we can help with.

Resident Access

The City and Contractor will work to minimize inconvenience to residents during construction. Residents can expect to have driveway access during construction except when major construction events are occurring on their street. We ask that residents, including children, remain outside the immediate work zone and exercise caution navigating the project area wherever you see workers, equipment, or warning signs.
